## **Their future relies on your legacy.**

Thank you for thinking of leaving a legacy to Bransby Home of Rest for Horses. By remembering Bransby in your Will or Codicil, you can help us provide a life time of care for all our animals.

Your Will gives you the opportunity to voice your wishes and remember those you love and the charities you wish to remember. We would be very grateful if Bransby could be part of these wishes.

A Will is a simple legal document that encompasses your wishes and enables you to appoint executors of your choice to carry them out. This can make a sad and stressful time a little easier on the loved ones you leave behind.

We highly recommend that you seek professional advice from a solicitor, who will require our address details and charity number above, to ensure that your legacy to Bransby is effective.

A legacy to Bransby Home of Rest for Horses in your Will or Codicil could take one of the following options:

### **Specific Legacy**

For example, jewellery or paintings, any specific item we could sell or auction for the Home.

### **Pecuniary Legacy**

A gift of a certain amount of money, to be decided by you.

### **Residual Legacy**

The remaining part of your estate once all your wishes, legacies to families, friends and other responsibilities have been considered.

### **A Trust**

For example, a simple arrangement for investments or property to benefit a family member during their lifetime and thereafter to be transferred according to your wishes, say to various charities.

Should you require any further information please do not hesitate to contact our Legacy Officer or your solicitor.

***Thank you - We value your continued support.***
